

Musical Moments

With the Hamilton Philharmonic Orchestra

Celebrate Valentine's Day with beautiful music!

February 14, 2020

1:30-4pm

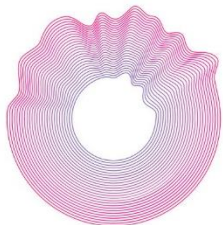

FirstOntario Concert Hall

(Formerly Hamilton Place)

The Hamilton Philharmonic Orchestra is offering a specially designed program to make orchestral music more accessible for people living with dementia. This program invites participants living with early-stage dementia to a 45-minute portion of an HPO rehearsal featuring Rimsky-Korsakov's *Scheherazade* followed by a discussion about the composer and music at FirstOntario Concert Hall. Feel free to bring a family member or friend. Light refreshments will be provided. This event is free of charge.

Musical Moments is part of the HPO's Wellbeing initiative.
