

A Wind Phone is for anyone who has lost someone special in their life.

We hope you find comfort in expressing feelings, sharing memories and saying the goodbyes you never had the opportunity to say.

As you talk with your loved one, let the wind carry your words over the trees and into the beyond.

Grief is a natural response to loss and is unique to everyone. Give yourself permission to feel whatever you feel, without judgment.

For grief support, visit www.hospiceniagara.ca.

This phone is not connected or monitored.

If you are in crisis, call COAST at 1-866-550-5205 (24 hours).
